Ross Nickerson sets his banjo on fire with his El Cumbanchero. You can almost smell and taste the gunpowder in Ross's original Gunslinger Blues. VERY well produced. -

Jerry Paul, Acoustica Magazine

This CD is a must have for any banjo player or banjo enthusiast. The response from my listeners on this CD was overwhelming. My request line kept ringing the entire time the CD was playing. I look forward to his next project."

Al Shusterman, KCBL Backroads Bluegrass

"Blazing the West" is a lot less talk, and a lot more action! Ross Nickerson blazes right past the line of mixing bluegrass and traditional western music. Ross does a great job of mixing traditional western songs with some contemporary compositions." - **Joey Black**
